Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English. Brand new Book. I shall not now speak of the knowledge of the Hindus .of their subtle discoveries in the science of astronomy .discoveries even more ingenious than those of the Greeks and Babylonians .of their rational system of mathematics, or of their method of calculation which no words can praise strongly enough - I mean the system of nine symbols . if these were known by the people who think that they alone have mastered the sciences because they speak Greek they would perhaps be convinced, though a little late in the day, that other folks, not only Greeks but also men of a different tongue, know something as well as they The Syrian astroner - monk Severus Sebokit (writing AD 662) Hinduism is the most ancient religion among all the great living religions in the world today.Hinduism has for its basis and source the timeless spiritual vision and revealed knowledge of the sacred Vedas and the lofty teachings and deep wisdom of the Saiva Siddhanta .The ancient sages through their communion with the unseen power have realized that the source of all power is one. The Vedas, the Upanishads also agree to this premise. They have also realized that the Sanatana dharma or early men practices existed before all other religions came into being. Further they have realized that man although following various paths and religions - are still leading to the same supreme power, which is behind and beyond every religion The Supreme Power (God) does not belong to any religion. Because, God existed even before this universe and mankind were created, even before any religions have come into existence. All religions belong to God. Because, He is the source as well...
