Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Kama Sutra Yoga: The Hidden Secrets & Techniques to take your sexual life to the ultimate level Are you dissatisfied with your sex life? Do you feel that the sizzle and crackle is missing? This book is for all those who want to know the hidden secrets of ancient wisdom and take their sexual life to an exalted level of ecstatic and explosive pleasure. This book has excellent illustrations on sex positions described in Kamasutra Yoga and Tantra Yoga. It is meant to be a ready reckoner for readers with plenty of practical advice, both for novice as well as experienced lovers. The book covers different aspects of sex and is not confined only to the physical act of sex. The term 'SEX' should normally be associated with uninhibited, explosive, natural, mystic, spectacular, ecstatic, blissful, rapturous and euphoric feeling. Unfortunately, modern day man or woman no longer views SEX in the same way. This book will rekindle the fire and passion inside you like never before. Kama Sutra yoga describes the art of sex in detail. Kamasutra Yoga and Tantra Yoga are two important works which are exclusively written to explore the world of sex. These books were written in the days when sex was a genuine desire which needed unabashed fulfillment - not an act which must be performed in secrecy and shame.
